In this Issue:

1. Welcome to Issue 2

Welcome to the 2ⁿᵈ edition of MORC Creations monthly newsletter.

MORC Creations sees this newsletter as a great new way to communicate with our dedicated followers.

In this, our second newsletter, we will discuss what's happening at MORC Creations in April including development progress and releases along with some information about the upcoming My Task Tracker and My Puppy releases. We will also provide a calendar of releases for 2021.

2. What's Happening At MORC Creations in April?

MORC Creations team has been busy during late March and into April not only completing development of the My Task Tracker application, My Puppy and My Kitten products but progressing onto the development of the next release of My Collections V3.0 due for release in May.

Our icon developer Kathleen is completing our new icon set for My Puppy and the My Task Tracker installer is close to completion.

3. My Task Tracker Release

The new My Task Tracker product is due for release in mid-April. This is a completely free product for all our MORC Creations customers to reward them for all their support in the past year. The complete user manual for the My Task Tracker application is now available for download free of charge at https://www.morccreations.co/downloads.

4. My Puppy Release

MORC Creations new My Puppy application will be release in a next couple of weeks on the 26th April. The My Puppy application will be released in both a free trial version called My Puppy Lite which will have several limitations and is meant primarily for customers to see what the program can do. The full My Puppy application will cost $29.99 (AUS) and will have full features and support, including a full help system.

The complete user manual for the My Puppy application will be available for download free of charge at https://www.morccreations.co/downloads when the product is released.
